Complete your portion of the rubric by writing a self-assessment, evaluating how well you feel you met the objectives of the project and why. Use specific details of your project to support your reasoning for your grade. Then, write your score for the descriptor that best describes your work on the project, for each of the categories listed below. Write your score for each category in the rate yourself column. Finally, total up your scores, and write your final score in the "Your Rating" box at the end of the rubric.

	Superior (20 points)	Excellent (18 points)	Above Average (16 points)	Met Minimal Standards (14 points)	Needs Improvement (12 points)	Rate Yourself (score)	Teacher's Rating (score)
