SHADE

COLOR

The word "COLOR" is rendered in large, bold, sans-serif capital letters. Each letter is a different color: 'C' is red, 'O' is orange, 'L' is yellow, 'O' is green, and 'R' is blue. Below the letters, there are five vertical rectangular blocks of the same colors (red, orange, yellow, green, blue). From the bottom of each block, a paint splatter of the corresponding color drips downwards. The entire graphic has a soft drop shadow against the white background.
